

Introducing: Remco Realty Group LLC

4/1/08 = The announcement of the recent formation of Remco Realty Group was made by 25 year industry veteran Peter Gallicchio, who will serve as President of this new and dynamic Commercial Real Estate firm. REMCO, an acronym for Real Estate and Management Company, provides a broad range of services and resources to Retailers, Owners, Lenders, Investors and Developers of commercial and retail properties. The retail sector of the commercial real estate industry has long been under served, leaving retailers and shopping center owners with very few service providers to select from. Recognizing this short fall prompted the formation of Remco.
