

Joseph Marino joins Team Remco

3/17/2011 = Peter Gallicchio President, of Remco Realty Group is pleased to announce that Joseph Marino has recently joined the firm, and shall serve as director of our newly created Distressed Assets Group. Mr. Marino is a graduate of Monmouth College with a degree in business, and brings over three decades of experience in all phases of Construction Management, Construction Financing, Real Estate Development and General Contracting skills to his new position. He will be concentrating his efforts on the re-positioning of under performing properties for lending institutions, along the major retail corridors in Central and Northern New Jersey. We are pleased to welcome Joe to Team Remco.
