

Remco Realty Group is now licensed in Pennsylvania !!

In an on going effort to fulfill the obligations of our landlord and tenant representation assignments, Remco has expanded its platform of services to include the Commonwealth of Pennsylvania. Remco was established in April of 2008, and in three short years has gained recognition in the industry by increasing its sales force, and through the implementation of new service lines such as our ***Distressed Assets Group***, headed up by Joseph Marino.

We have represented several landlords and shopping centers throughout New Jersey, including such well known tenants as ***Aamco Transmissions, Enterprise Rental Car, Strauss Auto*** and ***Sherwin Williams***, to name few.

We look forward to continued success throughout eastern Pennsylvania.

Considering Selling? Looking to Buy? Got Vacancy?

Call REMCO today to discuss how we can help you.
